Who needs Friends?

Everyone needs Friends and people in West Berkshire with learning disabilities are no exception.

West Berkshire Mencap needs friends who appreciate that paying an annual subscription to be a Friend will help us with our work.

We need Friends who are prepared, occasionally, to give a small amount of time and energy to help organise or attend fund raising events.

We need Friends, both individuals and organisations, to support those services we currently provide in West Berkshire and to ensure that all those who strive towards independence continue to benefit.

We need Friends to support us and help us to help others.

As a Friend you will be helping to maintain and enhance a valuable service to the local community and enable more to be offered to local people with a learning disability.

Enormous progress has been made since 1954. West Berkshire Mencap wants to build on this achievement. There is much more that could be done. Our objectives for the future are to develop additional facilities for those with a learning disability irrespective of age.

West Berkshire Mencap has close links with other local Charities and Statutory Agencies. However even to maintain our existing services we rely heavily on voluntary income and support.

Friends of West Berkshire Mencap is hoping to help develop additional services such as:

Sitting services
Inclusive employment
Education of others to the needs of people with learning disabilities

The list and needs are, however, endless

Friends will be helping West Berkshire Mencap to reach their objectives.
